Trip Overview

Kathmandu Bike Tour: Explore hidden, interesting spots of Kathmandu valley. Ride through the city of temples and see Nepal from the comfort of wheels. Our mountain biking day trips are designed to give the most out of your budget and time. Our day begins with a satisfying breakfast followed by a mountain bike tour to Budhanilkantha, which is located 6km northeast of Kathmandu. Here, you will learn about a mythical legend that revolves around the making of the valley. You will also visit the sleeping Bishnu Temple and enjoy the picturesque view of the valley. [Kathmandu mountain bike day tour](#) We then mountain bike to **Shivapuri National Park** and head to an ancient spot located on a ridge Northwest of the valley. We will ride through the narrow alleyways of the ancient town and view the old shrines, temples, and traditional houses typical of the valley. You will also observe the traditional lifestyle of the town dwellers and sample their local delicacies. [Kathmandu Valley Bike](#) Explore the sleeping image of the Hindu secret god Bishnu at Budhanilkantha. We will ride through the narrow alleyways of the ancient town and view the old shrines, temples, and traditional houses typical of the valley. You will also observe the traditional lifestyle of the town dwellers and sample their local delicacies.

Trip Itinerary
