**Trip Overview**

Makalu Sherpeni Col Amphu labtsa Pass trek is a **challenging high-altitude trek** that takes you through the less-traveled trail, [linking both Makalu and Everest region](#). It is arguably one of the most outstanding treks in the Himalayas of Nepal. The route meanders through the Three Col, three high mountain passes- West Col (6413m), Sherpani Col (6146m), and Amphu Lapcha Pass (5645m.) The Makalu Sherpeni Col Pass trek route attracts experienced high-altitude trekkers, who embrace daunting challenges. You will be trekking on a **wide elevation range from 515m to 6146m**. Your journey starts with a scenic flight to Tumlingtar. The 45-minute flight rewards spectacular views of green hills, gorges, and the towering Himalayas. Upon reaching Tumlingtar, you'll shortly drive to Num. The actual trek starts from Chichila and extends along the rhododendron forests to the heavenly waterfalls and glaciers. The spectacular views of Makalu and several other peaks including [Mt. Everest further beautifies this journey](#). The natural beauty and the unique adventure of [Makalu Base Camp Trek](#) make it one of the must-visit destinations in the Himalayas. The trails pass through the following national parks, Makalu, and Everest region giving the trekkers the most rewarding trekking trip on the planet.

[Makalu Sherpeni col Amphu laptsa pass trek](#), Trekkers can observe a wide range of forests including conifers, broadleaf deciduous forest, rare alpine shrubs, and medicinal plants. The GHT trek can be considered an exploratory trek. The trek gives memory to cherish for a lifetime. If you are looking for the next beautiful and daring adventure holiday, then Makalu Sherpeni col Amphulebtsa pass is the trek to do. These passes are the **highest passes of the Himalayan Region of Nepal**. Nonetheless, you can enjoy a relaxing trek with the spectacular views of Lhotse (8516m), Baruntse (7220m), Chamlang (7319m), Mt. Kanchenjunga massif (8091m) Mount Makalu (8463m), and mt. Everest (8848 m)

**Trip Itinerary**

Day 1 KATHMANDU – TUMLINGTAR – NUM (1560M)

 Breakfast, Lunch & Dinner    Tea House    Plane & Jeep    1560 m

We fly to Tumlingar after breakfast and meet the rest of the crew members who will also be joining us for the trek. A moderately paced walk through the picturesque villages and lush mountain forests will take us to Num. A ridgeline with great views on both side and perched on the end, this is Num for us. Overnight in Num.

---

 Day 2 NUM – SEDUWA (1,500M)

 6 Hrs    Breakfast, Lunch & Dinner    Tea House    Walking    1500 m

A steep descent through forests and terraced farms takes us to Barun River. We cross the river and follow an equally steep ascent up the other side again. Often quite hot – the forest on the valleys offers a bit of shade. This is where Makalu Barun National Park begins and where we register our permits. We camp right at the top of the village. Overnight in Seduwa

---

 Day 3 SEDUWA – TASHIGAON (2,100M)

 6 Hrs    Breakfast, Lunch & Dinner    Tea House    Walking    2100 m

Ascend the ridge bounded by the Ipsuwa Khola on the west and Kasuwa Khola to the east. Crossing the hillside through quiet villages and passing by small paddy fields, we reach the exotic village of Tashi Gaon. over night stay.

---

 Day 4 TASHIGAON – KHONGMA DANDA (3,500M)

---

 6 Hrs    Breakfast, Lunch & Dinner    Tea House    Walking    3500 m

We will ascend through forests to a stream and then onto a ridge. From here the trail gets even steeper and passes a Kharka (grazing land) and finally follows a series of rough stone stairs and small lakes ascending to the top of the ridge. From here it's a short way down to Khongma.

---

 Day 5 KHONGMA DANDA – DOBATE (3862 M)

---

 7 Hrs    Breakfast, Lunch & Dinner    Tea House    Walking    3862 m

We ascend towards the summit of the Shipton La (pass) which takes a few hours to reach. After the lake Kalo Pokhari (3930m), pass over the Keke La at 4,170m. We can see the marvelous views of Chamlang (7321m), Peak 6 (6,524m), and Peak 7 (6,758m). After crossing the Keke La pass, we descend through the beautiful valley to Dobato.

---

 Day 6 DOBATE – YANGRI KHARKA (3,557M)

---

 6 Hrs    Breakfast, Lunch & Dinner    Tea House    Walking    3557 m

Today we pass through the rhododendron forest which leads to the Barun River and the upper reaches of the valley. We should be very careful during the first two hours of the trek as the trail is steep and arduous. We then take a pleasant walk, slowly gaining altitude until we arrive at Yangri Kharka

situated at the base of the valley.

---

 **Day 7 YANGRI KHARKA – LANGMALE KHARKA (4,410M)**

---

 7 Hrs    Breakfast, Lunch & Dinner    Tea House    Walking    4410 m

The valley, we pass through yak pastures, lush forests and boulder fields. The valley walls tower imposingly above us during the start of the trek. We pass Merek as we make our way further up and notice a significant rise in the scenic Himalayan views. Overnight in Langmale Kharka.

---

 **Day 8 LANGMALE KHARKA – MAKALU BASE CAMP (4,870M)**

---

 5 Hrs    Breakfast, Lunch & Dinner    Camping    Walking    4870 m

Today is the day we make it to the Base Camp. From Langmale Kharka we make our way up to Shershong and eventually to Makalu Base Camp. The trail is flat with icy glaciers and snow-cap mountains accompanying us. Mount Makalu comes into view as we approach Shershong. As we make our way to the camp, we get to soak in the majestic Himalayan panorama surrounding us. Overnight at Makalu Base Camp.

---

 **Day 9 Acclimatization day at Makalu Base camp (4870m)**

---

 Breakfast, Lunch & Dinner    4870 m

Today is a rest and acclimatization day. Medical professionals suggest that in order to better acclimatize before heading to higher altitudes you should remain active. This is a good reason to wander around the village or take a short hike into the hills where you will be rewarded with some great views of Mt. Makalu, Barun Pokhari, and Kangshung face of Everest and Lhotse. Tonight we will camp Lodge here again.

---
